of 29 October 1976

Having regard to Council Regulation (EEC) No 3002/75 of 17 November 1975 establishing preferential tariffs in respect of certain cotton textile and like products originating in developing countries (1), and in particular Article 4 (2) thereof,

Whereas Article 1 (3) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling equal to 166 % of the sum arrived at by adding together the metric tonnage of the products in question, imported into the Community in 1968 and coming from countries listed in Annex B to that Regulation, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 metric tonnage of such arrangements; whereas Article 2 (1) of that Regulation provides that the levying of customs duties may be re-established at any time once the Community ceiling has been reached;

Whereas in respect of cotton yarn, not put up for retail sale, multiple or cabled, finished, etc., falling within subheading 55.05 A, the ceiling, calculated as indicated above, should be 34 metric tons; whereas on 22 October 1976, the amounts of imports into the Community of the products in question, originating in countries covered by preferential tariff arrangements, reached that ceiling; whereas, bearing in mind the objectives of Regulation (EEC) No 3002/75, which provides that the ceiling should not be exceeded, customs duties should be re-established in respect of the products in question,
