This shall be applied by the customs service when it is satisfied that export has taken place.

8. The original of each certificate of origin in Form O shall be given to the exporter or his agent to accompany the shipping documents.

9. The International Coffee Organization identification mark and the reference number of the certificate of origin (composed of the country code, port code and serial number) shall be included on at least one of the documents forwarded to the buyer with the original of the certificate of origin, for example the invoice, the contract, the bill(s) of lading or on such documentation as may be presented to the customs service in the importing Member country.

10. Notwithstanding the provisions of paragraphs 1 and 3, if the maritime port of shipment is not in the country of origin of the coffee and the Member finds that it is impracticable to issue completed certificates of origin in Form O prior to export from origin, the Member may make arrangements for issuing the necessary certificate of origin in Form O, either partially or wholly, by an agency located in the maritime port of shipment and for forwarding completed first copies of certificates and the relevant bills of lading to the Organization. All such arrangements shall be agreed between the Member and the Executive Director.

1. The responsibility for ensuring the proper use of certificates of origin rests with exporting Members.

2. Each exporting Member shall be responsible for requiring exporters to seek the cooperation of buyers in ensuring that the original of each certificate of origin in Form O covering a parcel of coffee imported into a Member country is presented to the customs service of the importing country and that the original of each certificate of origin in Form O covering a parcel of coffee diverted to a non-member country is forwarded immediately to the Organization by the trader selling the coffee to the non-member country

7. Except as otherwise agreed between the Member and the Executive Director, the Executive Director shall acknowledge receipt of each batch of documents by stamping and returning the covering note.

8.
