COMMISSION REGULATION (EEC) No 273/76

of 6 February 1976

amending the Annex to Regulation (EEC) No 136/76 fixing, pursuant to the invitation to tender opened by Regulation (EEC) No 3354/75, the minimum selling price for skimmed-milk powder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 740/75 [2], and in particular Article 7 (5) thereof,

Having regard to Council Regulation (EEC) No 974/71 of 21 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States [3], as last amended by Regulation (EEC) No 475/75 [4], and in particular Article 6 thereof,

Whereas Article 20 of Commission Regulation (EEC) No 3354/75 of 23 December 1975 on the sale by invitation to tender of skimmed-milk powder at a reduced price for processing into compound feedingstuffs for pigs or poultry [5], provides for adjustment of the monetary compensatory amounts for the skimmed-milk powder in question, by a coefficient fixed at the same time as the minimum selling price, the difference between this price and the market price for skimmed-milk powder being taken into account;

Whereas in addition the selling price of such milk has to be taken into consideration in calculating the monetary compensatory amounts applicable to compound feedingstuffs obtained from skimmed-milk powder sold by tender;

Whereas Commission Regulation (EEC) No 136/76 of 22 January 1976 fixing, pursuant to the invitation to tender opened by Regulation (EEC) No 3354/75, the minimum selling price for skimmed-milk powder [6], fixed the monetary compensatory amounts in question for Germany, the Benelux countries, Ireland and the United Kingdom;

Whereas from 9 February 1976 monetary compensatory amounts will be introduced in respect of trade with Italy; whereas therefore, the Annex to Regulation (EEC) No 136/76 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
