of 16 November 1976

amending Regulation (EEC) No 2682/72 as regards the quantity of eggs to be taken into consideration in calculating the export refund on certain goods not covered by Annex II to the Treaty

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs [1], and in particular the fourth subparagraph of Article 9 (2) thereof,

Whereas Commission Regulation (EEC) No 1777/74 of 9 July 1974 fixing the value of certain items to be used in calculating the import duties and sluice-gate prices for ovalbumin and lactalbumin [2] increased the quantity of eggs in shell to be taken into consideration in calculating the import duties, per 100 kg of dried ovalbumin, from 394 to 406 kg;

Whereas the same amendment should therefore be made, as regards the export refund, to Council Regulation (EEC) No 2682/72 of 12 December 1972 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds [3],

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 November 1976.

For the Council

The President
