COMMISSION REGULATION (EEC) No 2964/76
of 1 December 1976
fixing the free-at-frontier reference prices applicable to wine imports from 16 December 1976

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2506/75 of 29 September 1975 laying down special rules for the importation of products in the wine-growing sector originating in certain third countries [1], as amended by Regulation (EEC) No 1166/76 [2], and in particular Articles 5 (2) and 5a thereof,

Whereas Regulation (EEC) No 2506/75 lays down special rules relating to the importation of certain products in the wine-growing sector; whereas Commission Regulation (EEC) No 1393/76 of 17 June 1976 [3] lays down detailed rules to this end; whereas in accordance with Article 5 (2) of Regulation (EEC) No 2506/75 the Commission fixes the free-at-frontier reference prices;

Whereas the list of free-at-frontier reference prices should be established taking into account trade requirements in particular and with a view to administrative simplicity;

Whereas Article 1 of Regulation (EEC) No 2506/75 provides that the free-at-frontier reference prices are to be equal to the reference price less customs duties actually levied; whereas it is necessary to specify that the amounts or coefficients under the system of monetary compensatory amounts must not be taken into account in assessing the customs duty to be deducted from the reference price;

Whereas the new Member States continue to apply specific customs duties until 1 July 1977; whereas, therefore, until that date these States will apply different free-at-frontier prices from those applicable in the other Member States; whereas in view of this special situation the necessary transitional provisions should be laid down so that the system introduced by Regulation (EEC) No 2506/75 can be applied without too much difficulty once it enters into force in the new Member States;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

1. The free-at-frontier reference prices referred to in Article 5 (2) of Regulation (EEC) No 2506/75 shall be, for wines imported into the Community as originally constituted, as indicated in the Annex hereto.

2. The free-at-frontier reference prices for imports into the new Member States, to be determined in accordance with the criteria applied in the Annex, shall be equal, for each import, to the reference price less:

— in the case of wines originating in third countries granted preferential tariff concessions, the customs duties actually applied in accordance with the relevant agreements;
— in the case of other wines, the customs duties actually applied in accordance with Article 59 (2) of the Act of Accession.

Article 2

Regulation (EEC) No 1403/76 [4] is hereby repealed.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply with effect from 16 December 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1 December 1976.
