COMMISSION REGULATION (EEC) No 3007/76
of 10 December 1976
re-establishing the levying of the customs duties on electric filament lamps for lighting, falling within subheading 85.20 A, originating in Hong Kong to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3010/75 of 17 November 1975 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3010/75 of 17 November 1975 establishing preferential tariffs in respect of certain products originating in developing countries (1), and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal to 115 % of the sum arrived at by adding together the value of the products in question imported cif into the Community in 1971 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1972 cif imports coming from other countries and from countries and territories already covered by by such arrangements ;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation ; whereas, for these products, this reduced percentage will be 30 % ;

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories once the relevant Community amount has been reached ;

Whereas, in respect of electric filament lamps for lighting, the ceiling, calculated as indicated above, should be 2 452 000 units of account, and therefore the maximum amount is 735 600 units of account ; whereas on 2 December 1976, the amounts of imports into the Community of electric filament lamps for lighting, originating in Hong Kong, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3010/75 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Hong Kong,

HAS ADOPTED THIS REGULATION :

Article 1
