COMMISSION REGULATION (EEC) No 3016/76

of 13 December 1976

on the repetition of the invitation to tender for the supply to the Catholic Relief Service and to UNICEF for use as food aid of vitaminized skimmed-milk powder to be purchased on the Community market

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 559/76 [2], and in particular Article 7 (5) thereof,

Having regard to Council Regulation (EEC) No 1298/76 of 1 June 1976 laying down general rules for the supply of skimmed-milk powder under the 1976 food-aid programme to certain developing countries and certain international organizations [3], as amended by Regulation (EEC) No 2017/76 [4], and in particular Article 6 thereof,

Whereas, in pursuance to Council Regulation (EEC) No 2025/76 of 27 July 1976 for the emergency supply of skimmed-milk powder to the Catholic Relief Service for distribution to certain sections of the population of Chile, as food aid, pursuant to Regulation (EEC) No 1299/76 [5], and to Council Regulation (EEC) No 2018/76 of 27 July 1976 on the additional supply of skimmed-milk powder as food aid to certain developing countries, international organizations and non-governmental organizations under the 1976 programme [6], Commission Regulation (EEC) No 2573/76 of 22 October 1976 [7], has provided *inter alia* for an invitation to tender for the delivery of 500 metric tons of vitaminized skimmed-milk powder to the Catholic Relief Service and 2 524 metric tons to UNICEF; whereas the invitation to tender for these quantities has been cancelled and it would therefore be advisable to proceed to a new invitation to tender for the quantities in question;

Whereas the procedure to be adopted for this tendering should in the main be the procedure used in Regulation (EEC) No 2573/76;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. Tenders shall be invited in accordance with the provisions of Regulations (EEC) No 1298/76, (EEC) No 2025/76 and (EEC) No 2018/76, for the costs of delivery to the Catholic Relief Service and to UNICEF of respectively 500 metric tons and 2 524 metric tons of vitaminized skimmed-milk powder bought on the Community market and divided into the lots and destinations mentioned in Annex I to this Regulation.

2. Delivery shall be effected to the ports of unloading included as well in Annex I.

3. Embarkation shall take place as soon as possible and not later than 10 March 1977.

4. The skimmed-milk powder shall meet:

— as to quality, the requirements set out in Annex II to this Regulation,

— as to packing, the requirements set out in the Annex to Commission Regulation (EEC) No 1108/68 of 27 July 1968 on detailed rules on application for intervention for public storage of skimmed-milk powder [8], as last amended by Regulation (EEC) No 1457/75 [9].

5. The packing of the skimmed-milk powder shall bear in letters at least 1 cm high, the marking specified in Annex I.

6. The successful tenderer shall supply a further 5 % of empty bags identical to those containing the goods. He shall undertake to have these bags mentioned on the bill of lading.

(9) OJ No L 145, 6. 6. 1975, p. 17.

Article 2

1. The intervention agencies shall draw up a notice of invitation to tender which shall be published in the *Official Journal of the European Communities* not less than 10 days before the closing date for the submission of tenders.

2. The closing date for the submission of tenders shall be 11 January 1977 at 12 noon.

Article 3

1. Tenders, which shall be in writing, shall be submitted either by delivery by hand to an intervention agency against acknowledgement of receipt or by registered letter addressed to an intervention agency. Intervention agencies may also authorize the use of telex.

2. A tender shall only be valid if it relates to the whole of a lot put up to tender. As regards the lots indicated by the letter 'F', the tenderer shall specify for how many lots his tender is valid. As regards the other lots a tender may only relate to one lot.

3. The tender shall indicate *inter alia*:

(a) the name and address of the tenderer;

(b) the port or ports of loading, chosen from among Community ports;

(c) the price, exclusive of taxes, expressed in the currency of the Member State in which the tender is presented, at which the tenderer undertakes to supply, in accordance with the specifications laid down, the entire quantity being the subject of its tender.

Such price shall be inclusive of transport insurance costs to the stage referred for delivery.

4. A tender shall be valid only if proof is given before expiry of the period set for the submission of tenders that the security referred to in Article 4 has been provided.

5. No tender may be withdrawn.

Article 4

1. The tendering and delivery securities shall be 20 units of account per metric ton of skimmed-milk powder.

2. It shall take the form, at the discretion of the Member State concerned, either of a cheque made out in favour of the intervention agency, or of a bank guarantee which satisfies the criteria fixed by the Member State.

Article 5

In the light of the tenders received and in accordance with the procedure laid down in Article 30 of Regulation (EEC) No 804/68 a maximum price, expressed in units of account, shall be fixed or alternatively a decision shall be taken to make no award.

Article 6

1. A tender shall be refused if the price proposed, converted into units of account, is more than the maximum price fixed for the lot in question.

2. Subject as provided in paragraph 1, the successful tenderer shall be the one whose offer converted into units of account, is the lowest. Where two or more valid offers specifying identical amounts, as converted into units of account, are received by a given intervention agency, the award shall be made by drawing lots. Where such offers are made to different intervention agencies, the award shall be made by the intervention agency selected in accordance with the procedure referred to in Article 5.

3. The intervention agency shall immediately inform each tenderer whether he has been awarded the contract.

4. Rights and obligations arising in connection with the invitation to tender shall not be transferable.

5. The intervention agencies shall immediately inform the Commission of the name and address of the successful tenderer.

Article 7

1. The successful tenderer shall deliver a quantity of skimmed-milk powder satisfying the requirements as to quality and packaging referred to in Article 1 (4).

2. Delivery at the port of unloading shall be completed when the goods are actually deposited on the quayside or on board a lighter at the port of unloading.

3. The recipient organization shall bear all expenditure incurred after delivery, including acceptance costs.

Article 8

Any demurrage costs at the port of unloading attributable to the recipient shall be borne by it. The rates and other details concerning such costs shall be laid down in the contract between the successful tenderer and the carrier and must have been previously agreed upon by the successful tenderer acting as Community agent and the recipient's delivery agent.

Article 9

1. The intervention agency concerned shall as soon as possible notify the recipient body of the name of

the vessel, the date of loading, the quantity and the quality of the goods as recorded at time of loading and the port of unloading.

2. The successful tenderer shall inform the recipient at least 10 clear days in advance of the expected date of arrival of the ship in the port of unloading. The successful tenderer shall have included in the terms of the charter-party a provision stipulating that the ship's captain shall inform the recipient at least 72 hours in advance of the ship's probable date of arrival in port.

Article 10

1. The competent agency of the Member State in which the contract is awarded shall check that the skimmed-milk powder in question satisfies requirements as to quality and packaging laid down in Article 1 (4).

2. If the goods are found to satisfy those requirements, the agency shall, before completion of the customs formalities referred to in Article 11 (1), provide the successful tenderer with a certificate to that effect.

3. On delivery the recipient organization shall issue a certificate proving taking delivery of the goods, stating that the delivery of that quantity of skimmed-milk as well as the empty bags referred to in Article 1 (6) have been taken at the stage specified in Article 1 (2).

Article 11

1. Customs export formalities shall be carried out in the Member State in which the award of contract is made.

2. If the port of loading specified in the tender is situated in a Member State other than that in which the customs export formalities are carried out, the goods shall, on completion of such formalities, be placed under customs control with the object of ensuring that they are loaded at the port specified in the tender.

Proof of loading can be furnished only by production of the control copy referred to in Article 1 of Commission Regulation (EEC) No 2315/69 of 19 November 1969 on the use of Community transit documents for the purpose of applying Community measures for verifying the use and/or destination of goods [1], as amended by Regulation (EEC) No 690/73 [2].

Sections 101, 103 and 104 of the control copy shall be completed.

Section 104 shall be completed by deleting as necessary and entering against the second indent one of the following endorsements :

— 'Delivery of skimmed-milk powder as food aid (Regulation (EEC) No 3016/76) to be shipped from the port of ...';
