COMMISSION REGULATION (EEC) No 3061/76

of 14 December 1976

abolishing the countervailing charge on mandarins (including tangerines and satsumas), clementines, wilkings and other similar citrus hybrids originating in Algeria

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables [1], as last amended by Regulation (EEC) No 795/76 [2], and in particular Article 27 (2) thereof,

Whereas Commission Regulation (EEC) No 2820/76 of 22 November 1976 [3], introduced a countervailing charge on mandarins (including tangerines and satsumas), clementines, wilkings and other similar citrus hybrids originating in Algeria;

Whereas the present trend of prices for Algerian products on the representative markets referred to in Regulation (EEC) No 2118/74 [4], as amended by Regulation (EEC) No 385/75 [5], recorded or calculated in accordance with the provisions of Article 5 of that Regulation, indicates the application of the first indent of the first subparagraph of Article 26 (1) of Regulation (EEC) No 1035/72 would result in the fixation of the countervailing charge at zero; whereas the conditions specified in the second indent of Article 26 (1) of Regulation (EEC) No 1035/72 are therefore fulfilled and the countervailing charge on imports of these products originating in Algeria can be abolished,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 2820/76 is hereby repealed.

Article 2

This Regulation shall enter into force on 15 December 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 14 December 1976.

For the Commission

P. J. LARDINOIS

Member of the Commission
