COMMISSION REGULATION (EEC) No 335/76

of 17 February 1976

amending Commission Regulation No 225/67/EEC on detailed rules for determining the world market price for oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 1707/73 (2),

Having regard to Council Regulation No 115/67/EEC of 6 June 1967 laying down criteria for determining the world market prices for oil seeds and fixing the frontier crossing point (3), and in particular Article 7 thereof,

Whereas Commission Regulation No 225/67/EEC of 28 June 1967 on detailed rules for determining the world market price for oil seeds (4), as last amended by Regulation (EEC) No 2646/75 (5), determined the processing costs for colza, rape, sunflower and soya seeds to be taken into consideration in applying Articles 2 and 6 of Regulation No 115/67/EEC; whereas, since those costs have subsequently increased, the amounts fixed by Articles 5 and 8 of Regulation No 225/67/EEC should be correspondingly amended;

Whereas the said Articles 5 and 8 determined the oil and oil-cake yields from colza and rape seeds, sunflower seed and soya beans to be taken into consideration in applying the said Articles 2 and 6 respectively; whereas the said yields should be amended to take into account developments in technical processes and the quality of seed ascertained;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,
