COMMISSION REGULATION (EEC) No 363/76

of 19 February 1976

fixing in respect of the 1975 crop export refunds for raw tobacco

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 727/70 of 21 April 1970 on the common organization of the market in raw tobacco (1), as last amended by the Act of Accession (2), and in particular the first sentence of the third subparagraph of Article 9 (2) thereof,

Whereas by virtue of Article 9 of Regulation (EEC) No 727/70 the difference between the world market prices of the products referred to in Article 1 of that Regulation and their prices within the Community may be covered by an export refund;

Whereas pursuant to Council Regulation (EEC) No 326/71 of 15 February 1971 laying down general rules for granting export refunds on raw tobacco and criteria for fixing the amount of such refunds (3), the granting of export refunds is to be limited to baled tobacco produced from leaf tobacco harvested in the Community; whereas the refunds must be fixed for each variety produced in the Community in the light of the factors indicated in Article 2 (1) of Regulation (EEC) No 326/71;

Whereas, in view of current export possibilities and of market conditions in the Community, it is appropriate that a refund be granted for certain varieties of the 1975 crop in respect of the countries listed in the Annex hereto;

Whereas, in order to facilitate marketing, encouragement should be given to finding outlets rapidly; whereas, therefore, the period during which export refunds may be granted for certain varieties from the 1975 crop should be limited;

Whereas, applying the abovementioned rules and criteria to existing conditions in the tobacco market, and in particular to prices in the Community and on the world market, it follows that the amount of the refund and the products and countries in respect of which it should apply should be as specified in the Annex hereto;

Whereas the Management Committee for Raw Tobacco has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1
