COMMISSION REGULATION (EEC) No 455/76

of 27 February 1976

amending the Annex to Regulation (EEC) No 336/76 fixing, pursuant to the invitation to tender opened by Regulation (EEC) No 135/76, the minimum selling price for skimmed-milk powder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 740/75 [2], and in particular Article 7 (5) thereof,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States [3], as last amended by Regulation (EEC) No 475/75 [4], and in particular Article 6 thereof,

Whereas Article 20 of Commission Regulation (EEC) No 3354/75 of 23 December 1975 on the sale by invitation to tender of skimmed-milk powder at a reduced price for processing into compound feedingstuffs for pigs or poultry [5], as amended by Regulation (EEC) No 135/76 [6], provides that the monetary compensatory amounts for the skimmed-milk powder in question shall be multiplied by a coefficient fixed at the same time as the minimum selling price, account being taken of the difference between that price and the market price for skimmed-milk powder;

Whereas in addition the selling price of such milk has to be taken into account in calculating the monetary compensatory amounts applicable to compound feedingstuffs obtained from skimmed-milk powder sold by tender;

Whereas Commission Regulation (EEC) No 336/76 of 22 January 1976 fixing the minimum selling price for skimmed-milk powder for the invitation to tender opened by Regulation (EEC) No 135/76 [7], fixed the monetary compensatory amounts in question;

Whereas with effect from 23 February 1976 the monetary compensatory amounts applicable in Italy have been altered in accordance with Commission Regulation (EEC) No 386/76 of 20 February 1976 [8]; whereas the Annex to Regulation (EEC) No 336/76 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committees for Cereals, and Milk and Milk Products,

HAS ADOPTED THIS REGULATION:
