COMMISSION REGULATION (EEC) No 582/76

of 15 March 1976

fixing the buying-in prices for intervention on the market in beef applicable from 15 March 1976

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal [1], as last amended by Regulation (EEC) No 568/76 [2], and in particular Article 6 (5) (c) thereof,

Whereas, in accordance with Council Regulation (EEC) No 1302/73 of 15 May 1973 laying down general rules for intervention on the market in beef and veal [3], as amended by Regulation (EEC) No 1729/74 [4], the qualities and cuts of products to be bought in by intervention agencies must be determined with a view, on the one hand, to the need to give effective support to the market and to ensure the necessary balance between the market in question and that in other livestock production and, on the other hand, to the Community's financial responsibilities in the matter; whereas it is therefore desirable to limit buying-in to certain cuts of meat;

Whereas the upper and lower limits for buying-in prices must be fixed in such a way as to allow intervention agencies to take account of the differences of value in meat arising out of the age, weight, conformation and finish of the animals concerned;

Whereas it is desirable to fix the upper limits for buying-in prices at a level corresponding to the intervention price fixed by Council Regulation (EEC) No 558/76 of 15 March 1976 [5], fixing for the 1976/77 marketing year the guide prices for calves and adult bovine animals and the intervention price for adult bovine animals, applying the coefficients fixed in Commission Regulation (EEC) No 1896/73 of 14 July 1973 on detailed rules for the implementation of intervention measures on the market in beef and veal [6], as last amended by Regulation (EEC) No 581/76 [7]; whereas the latter Regulation fixed new coefficients to be applied from 15 March 1976; whereas, moreover, on that date the new guide prices enter into force; whereas these two factors entail an alteration of the buying-in prices, thus making it necessary to replace Commission Regulation (EEC) No 536/75 of 28 February 1975 fixing the buying-in prices for intervention on the market in beef and veal applicable from 3 March 1975 [8], as last amended by Regulation (EEC) No 3114/75 [9];

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

With effect from 15 March 1976 intervention agencies shall buy in beef offered to them in accordance with the conditions laid down in Regulation (EEC) No 1896/73 at prices determined within the limits laid down for each product in the Annex to this Regulation having regard to the age, weight, conformation and finish of the animals from which the said products are obtained.

Article 2

Regulation (EEC) No 536/75 is hereby repealed.

Article 3

This Regulation shall enter into force on 15 March 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
