COMMISSION REGULATION (EEC) No 72/76

of 16 January 1976

fixing the compensatory amounts for eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty of Accession (1),

Having regard to Council Regulation (EEC) No 2776/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for eggs (2), and in particular Article 9 (3) thereof,

Whereas the compensatory amounts for egg products were fixed by Council Regulation (EEC) No 2776/75 and Commission Regulation (EEC) No 1882/75 (3); whereas, however, the compensatory amounts are determined in accordance with Article 4 of Regulation (EEC) No 2776/75 where the situation envisaged in Article 7 of Council Regulation (EEC) No 2757/75 of 29 October 1975 laying down general rules for the system of accession compensatory amounts for cereals (4), arises;

Whereas in the sector of eggs the calculation of the compensatory amounts for trade with Denmark results in minimal amounts; whereas there is therefore no need to fix a compensatory amount applicable to that country,

HAS ADOPTED THIS REGULATION:

Article 1

The amounts provided for in Article 4 of Regulation (EEC) No 2776/75 as compensatory amounts for eggs, ovalbumin and lactalbumin for the period February, March and April 1976 are fixed in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 February 1976.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 January 1976.
