COMMISSION REGULATION (EEC) No 910/76

of 21 April 1976

amending Regulation No 91/66/EEC of 29 June 1966 concerning the number of returning holdings in two divisions of the United Kingdom for the 1976 accounting year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 79/65/EEC of 15 June 1965 setting up a network for the collection of accountancy data on incomes and business operation of agricultural holdings in the European Economic Community (1), as last amended by Regulation (EEC) No 2910/73 (2), and in particular Article 4 (4) thereof,

Whereas Article 3 of Commission Regulation No 91/66/EEC of 29 June 1966 concerning the selection of returning holdings for the purpose of determining incomes of agricultural holdings (3), as last amended by Regulation (EEC) No 702/76 (4) lays down the number of returning holdings for each division ;

Whereas recent charges in the number of holdings and their new distribution in two divisions of the United Kingdom (England North Region and England West Region) render necessary a redistribution of returning holdings between these two divisions, so that the accounting sample can ensure a better representation of the entire field of survey corresponding to these two divisions ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Community Committee for the Farm Accountancy Date Network,
