COMMISSION REGULATION (EEC) No 946/76

of 26 April 1976

fixing the export refunds on pigmeat for the period beginning 1 May 1976

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat [1], and in particular the first sentence of Article 15 (5) thereof,

Whereas Article 15 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market and prices within the Community for the products listed in Article 1 (1) of that Regulation may be covered by an export refund;

Whereas Council Regulation (EEC) No 2768/75 of 29 October 1975 [2], lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as indicated below;

Whereas, for products falling within subheading 02.06 B I b) 3 bb) and 6 bb), the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this heading and of the foreseeable trend of production costs on the world market;

Whereas, if existing export outlets for products falling within subheading 02.06 B I b) 3 aa), 5 aa) and 6 aa) are to be available in the future, the refund should be comparable with that fixed for dried or smoked products;

Whereas, for certain typical Italian products, falling within CCT heading No 02.06 B I b) 3 bb), maintaining participation by the Community in international commerce requires arefund of an amount to be established on taking into account conditions of access to the world market;

Whereas, for products falling within subheading 02.06 B I b) ex 7, the refund should be granted solely in respect of products of a quality comparable with that of products falling within subheading 02.06 B I b) 3, 4 and 5;

Whereas, for products falling within subheading 15.01 A II, provision should be made for an amount which will cover the difference between the most favourable import prices in traditional importing third countries and export prices in exporting Member States;

Whereas, because of conditions of competition in certain third countries, which are traditionally major importers of products falling within subheading ex 16.01 A, ex 16.01 B I and II, ex 16.02 A II, ex 16.02 B III a) 1 aa), bb) and cc), 2 and 3, set out in the Annex to this Regulation, the refund for these products should be fixed taking this situation into account;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which the export refund referred to in Article 15 of Regulation (EEC) No 2759/75 is granted, and the amount of that refund, are hereby fixed as shown in the Annex.
