THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3002/75 of 17 November 1975 establishing preferential tariffs in respect of certain cotton textile and like products originating in developing countries (1), and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling equal to 166 % of the sum arrived at by adding together the value of the products in question, in metric tons, imported into the Community in 1968 and coming from countries listed in Annex B to that Regulation, but not including products coming from countries already covered by various preferential tariff arrangements established by the Community, and 5 % of the 1970 metric tonnage of such imports coming from other countries and from countries already covered by such arrangements ;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A to that Regulation ;

Whereas Article 2 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries once the relevant Community maximum amount has been reached ;

Whereas, in respect of cotton yarn, not put up for retail sale, multiple or cabled, etc., falling within subheading 55.05 A, the ceiling, calculated as indicated above, should be 34 metric tons, and therefore the maximum amount is 17 metric tons ; whereas on 16 April 1976, the amounts of imports into the Community of cotton yarn, not put up for retail sale, multiple or cabled, etc., falling within subheading 55.05 A, originating in India, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3002/75, which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to India,
