COMMISSION REGULATION (EEC) No 1047/77
of 18 May 1977
fixing for the 1977 marketing year the reference prices for cherries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables (1), as last amended by Regulation (EEC) No 1034/77 (2), and in particular Article 27 (1) thereof,

Whereas, pursuant to Article 23 (1) of Regulation (EEC) No 1035/72, reference prices valid for the whole Community are to be fixed at the beginning of the marketing year;

Whereas cherries are produced in such quantities in the Community that reference prices should be fixed for them;

Whereas cherries harvested during a given crop year are marketed from April to August; whereas the quantities harvested in April, during the first 20 days of May and the last 20 days of August are so small that there is no need to fix reference prices for these periods; whereas reference prices should be fixed only for the period from 21 May up to and including 10 August;

Whereas pursuant to Article 23 (2) of Regulation (EEC) No 1035/72 the reference prices are fixed on the basis of the arithmetic mean of producer prices in each Member State plus an amount representing the costs of transporting Community products from the production areas to Community marketing centres; whereas the trend of average basic prices and buying-in prices must also be taken into account;

Whereas, to take seasonal variations into account, the year should be divided into several periods and a reference price fixed for each of these periods;

Whereas producer prices are to correspond to th average of the prices recorded on the representativ market or markets situated in the production are where prices are lowest, during the three years prior t the date on which the reference price is fixed, for home-grown product with defined commercial chara teristics, being a product or variety representing substantial proportion of the production markete over the year or over part thereof and satisfying spec fied requirements as regards market preparation whereas, when the average of prices recorded on eac representative market is being calculated, prices whic could be considered excessively high or excessivel low in relation to normal price fluctuations on th market are to be disregarded;

Whereas the measures provided for in this Regulatio are in accordance with the opinion of the Manage ment Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
