COMMISSION REGULATION (EEC) No 1269/77

of 14 June 1977

supplementing Article 8 (2) of Regulation (EEC) No 3335/73 on the movement of goods obtained in the Community under a procedure for the suspension or drawback of customs duties

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Treaty of Accession,

Having regard to the Act of Accession [1], and in particular Article 45 (2) thereof,

Whereas the Common Customs Tariff will be applied in full with effect from 1 July 1977 by the new Member States except for certain agricultural products covered by a common organization of the markets referred to in Articles 59 (1) (b) and 61 of the Act of Accession; whereas, except for these agricultural products, customs duties and charges having equivalent effect will no longer be chargeable in trade between the Community as originally constituted and the new Member States and between the new Member States themselves;

Whereas Commission Regulation (EEC) No 3335/73 of 10 December 1973 on the movement of goods obtained in the Community under a procedure for the suspension or drawback of customs duties or other import charges [2], as last amended by Regulation (EEC) No 225/74 [3], subjected goods obtained in the Community from the manufacture of third country goods which have not been put into free circulation within the meaning of Article 10 (1) of the EEC Treaty, to the payment of a compensatory levy equal to the tariff reduction applicable, in order to benefit from the Community system; whereas, accordingly, the compensatory levy percentage to be applied to third country products entered before 1 July 1977 under a procedure for the suspension or drawback of customs duties or other import charges must, with effect from that date, be 100 % of the said customs duties or other import charges,

HAS ADOPTED THIS REGULATION:

Article 1

Article 8 (2) of Regulation (EEC) No 3335/73 is hereby amended to read as follows:

'2. The percentage shall be:

— 40 % for the period 1 January to 31 December 1974 inclusive,

— 60 % for the period 1 January to 31 December 1975 inclusive,

— 80 % for the period 1 January 1976 to 30 June 1977 inclusive,

— 100 % with effect from 1 July 1977 in so far as products used in manufacture were entered before this date, under a suspension or drawback of duty procedure.

The rate of 100 % shall also apply to:

— products, covered by Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals [4], entered under that system before 1 August 1977,

— products, covered by Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice [5], entered under that system before 1 September 1977,

— products, covered by Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables [6], Council Regulation (EEC) No 234/68 of 27 February 1968 on the common organization of the market in live trees and other plants, bulbs, roots and the like, cut flowers and ornamental foliage [7] and Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables [8], entered under those systems before 1 January 1978.'
