COMMISSION REGULATION (EEC) No 1825/77

of 5 August 1977

amending Regulations (EEC) No 368/77 and (EEC) No 938/77 as regards the coefficients to be applied to the monetary compensatory amounts in respect of skimmed-milk powder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 559/76 (2), and in particular Articles 7 (5) and 28 thereof,

Having regard to Council Regulation (EEC) No 974/71 of 12 May 1971 on certain measures of conjunctural policy to be taken in agriculture following the temporary widening of the margins of fluctuation for the currencies of certain Member States (3), as last amended by Regulation (EEC) No 557/76 (4), and in particular Article 6 thereof,

Whereas, pursuant to Commission Regulation (EEC) No 368/77 of 23 February 1977 on the sale by tender of skimmed-milk powder for use in feed for pigs and poultry (5), as last amended by Regulation (EEC) No 1792/77 (6), and to Commission Regulation (EEC) No 443/77 of 2 March 1977 on the sale at a fixed price of skimmed-milk powder for use in feed for pigs and poultry (7), the intervention agencies are selling skimmed-milk powder taken into storage before 1 January 1976;

Whereas the monetary compensatory amounts applicable in trade in the skimmed-milk powder in question are multiplied by a coefficient established by reference to the difference between the selling price of skimmed-milk powder and the intervention price for the product; whereas, as a result of price trends of competing products, the selling price of skimmed-milk powder has been reduced; whereas the coefficients as set out in Article 19 of Regulation (EEC) No 368/77 and referred to in Article 9 (c) of Regulation (EEC) No 443/77 should therefore be adjusted;

Whereas Commission Regulation (EEC) No 938/77 of 29 April 1977 fixing the monetary compensatory amounts and certain rates for their application (8), as last amended by Regulation (EEC) No 1824/77 (9), should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
