COMMISSION REGULATION (EEC) No 1931/77

of 26 August 1977

on an invitation to tender for the refund for the export of barley to Zones I, II, III, IV and VI

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as amended by Regulation (EEC) No 1386/77 (2),

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds (3), and in particular Article 5 thereof,

Whereas, having regard to the current situation on the cereals market, there should be opened in respect of barley an invitation to tender for the export refund provided for in Article 5 of Regulation (EEC) No 2746/75; whereas, in order to safeguard Community supplies whilst at the same time permitting exporters to participate in the supply of certain markets, the invitation to tender for export should be limited to the markets concerned, which are situated in the zones defined in Annex I to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice (4);

Whereas the detailed rules governing invitations to tender for export refunds are contained in Commission Regulation (EEC) No 279/75 of 4 February 1975 laying down detailed rules for the application of the system of tendering for export refunds on cereals (5);

Whereas the objective of the tendering procedure can be attained only if every successful tenderer fulfils all the commitments entered into by him when submitting his tender; whereas these commitments include an obligation to lodge an application for an export licence; whereas compliance with this obligation may be ensured by requiring the tenderer to give security when submitting his tender;

Whereas, in order to ensure equal treatment to all concerned, it is necessary to make provision such that the effective period of validity of licences issued to successful tenderers in connection with the invitation to tender is in all cases the same;

Whereas provision must be made to ensure the smooth operation of the invitation to tender for export refunds; whereas to this end it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders submitted to the competent authorities;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,
