COMMISSION REGULATION (EEC) No 2218/77

of 5 October 1977

adopting temporary measures concerning the storage and movement of beef products bought in by an intervention agency

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1055/77 of 17 May 1977 on the storage and movement of products bought in by an intervention agency [1], and in particular Article 6 thereof,

Whereas Commission Regulation (EEC) No 1722/77 of 28 July 1977 laying down common detailed rules for the application of Regulation (EEC) No 1055/77 on the storage and movement of products bought in by an intervention agency [2] applies to products in respect of which an authorization under Article 1 of Regulation (EEC) No 1055/77 is issued on or after 1 August 1977;

Whereas Commission Regulation (EEC) No 1687/76 of 30 June 1976 laying down common detailed rules for verifying the use and/or destinations of products from intervention [3], as last amended by Regulation (EEC) No 2182/77 [4], lays down certain provisions to be respected for products which pursuant to Regulation (EEC) No 1055/77 are stocked in a Member State other than that where the selling intervention agency is situated;

Whereas Commission Regulation (EEC) No 1805/77 of 4 August 1977 laying down, in respect of the beef and veal sector, special rules for the application of Regulation (EEC) No 1055/77 on the storage and movement of products bought in by an intervention agency [5] applies to products stored outside the territory of the Member State within whose jurisdiction the intervention agency which holds those products falls, irrespective of the date on which their storage commenced;

Whereas Regulation (EEC) No 1805/77 provides for the fixing of selling prices for products stored before 1 August 1977; whereas such fixing presupposes that no monetary compensatory amounts are applied at the time of export, that the products are released for home use in the Member State of storage and that no monetary and accession compensatory amount are applied when the products are released;

Whereas it is necessary to exempt such products from such amounts and to apply certain provisions of Regulations (EEC) No 1722/77 and (EEC) No 1687/77;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
