COUNCIL REGULATION (EEC) No 2583/77

of 21 November 1977

amending Regulation (EEC) No 1279/77 suspending the application of indicative ceilings established by Regulations (EEC) No 3230/76, (EEC) No 3231/76, (EEC) No 3233/76, (EEC) No 3234/76 and (EEC) No 3235/76 for the imports of certain products originating in Austria, Finland, Norway, Portugal and Sweden

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, pursuant to Protocol 1 annexed to the Agreement between the European Economic Community and the Republic of Portugal, the Community has, by Regulation (EEC) No 1279/77 [1], suspended for 1977 for the application of the ceilings for imports of certain products;

Whereas it has been found that, in 1976, the communications from the Member States relating to the quantities to be set off against the ceiling established for a certain product were incorrect; whereas the corrected figures do not justify the suspension by Regulation (EEC) No 1279/77 of the application of the ceiling in question; whereas the aforementioned Regulation should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Order Number I P 5 is hereby deleted from the first subparagraph of Article 1 (4) of Regulation (EEC) No 1279/77.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 November 1977.

For the Council

The President

H. SIMONET
