COMMISSION REGULATION (EEC) No 2697/77

of 7 December 1977

amending the Annex to Regulation (EEC) No 1535/77 determining the conditions under which certain goods are eligible upon importation for a favourable tariff arrangement by reason of their end-use

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 97/69 of 16 January 1969 on measures to be taken for the uniform application of the nomenclature of the Common Customs Tariff [1], as last amended by Regulation (EEC) No 280/77 [2] and in particular Articles 3 and 4 thereof,

Whereas the Annex to Commission Regulation (EEC) No 1535/77 of 4 July 1977 determining the conditions under which certain goods are eligible upon importation for a favourable tariff arrangement by reason of their end-use [3] includes a list of goods in respect of which this Regulation is not applicable; whereas it appears that certain other goods now subjected to a more specific Community arrangement must be included in this list until further notice;

Whereas it is appropriate, for the sake of clarity, to bring this Annex up to date to conform to the amendments made to the Common Customs Tariff consequent, in the main, upon the recommendation issued by the Customs Cooperation Council on 18 June 1976;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Committee on Common Customs Tariff Nomenclature,
