COUNCIL REGULATION (EEC) No 2896/77

of 20 December 1977

extending to other products the Annex to Regulation (EEC) No 109/70 establishing common rules for imports from State-trading countries

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 109/70 of 19 December 1969 establishing common rules for imports from State-trading countries [1], and in particular Article 2 thereof,

Having regard to the proposal from the Commission,

Whereas quantitative restrictions on imports of a number of products from State-trading countries have been abolished in all the Member States;

Whereas, moreover, as part of the progressive standardization of the import arrangements applied in the Member States, it appears desirable to abolish certain other quantitative restrictions on imports from the said third countries;

Whereas extending the Annex to Regulation (EEC) No 109/70 to include imports of the products in question is not liable to create a situation in which the application of protective measures within the meaning of Title IV of that Regulation would be justified;

Whereas the Annex in question has been amended several times; whereas, for practical reasons, the Commission should be authorized to bring it up to date and see to its publication,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 109/70 shall be extended to include the products listed in the Annex to this Regulation imported from the third countries indicated by an 'X'.

Article 2

The Commission is hereby authorized to publish the amended version of the Annex to Regulation (EEC) No 109/70.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 December 1977.

For the Council

The President

J. CHABERT
