COMMISSION REGULATION (EEC) No 2957/77

of 23 December 1977

fixing the standard values to be used in calculating financial compensation in respect of fishery products withdrawn from the market during the 1978 fishing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 100/76 of 19 January 1976 on the common organization of the market in fishery products [1], as amended by Regulation (EEC) No 2429/76 [2], and in particular Article 11 (5) thereof,

Whereas Article 11 of Regulation (EEC) No 100/76 provides for the grant of financial compensation to producers' organizations which intervene, in certain conditions, in respect of the products listed in Annex I (A) and (C) to that Regulation ; whereas the amount of financial compensation must be reduced by standard values in the case of products for purposes other than human consumption ;

Whereas Commission Regulation (EEC) No 697/71 of 31 March 1971 [3] specifies the ways in which the products withdrawn may be disposed of ; whereas the value of such products must be fixed at a standard level for each of these modes of disposal, taking into account the average receipts which may be obtained from such disposal ;

Whereas Commission Regulation (EEC) No 3113/76 of 21 December 1976 [4], as amended by Regulation (EEC) No 2376/77 [5], fixed the standard values for 1977 ;

Whereas market information relating to these values shows that they have been altered for most of the uses in question since they were last fixed ; whereas the divergence of prices in the different regions of the Community noted over recent months is continuing ; whereas the standard value for 1978 should be fixed by taking into account the prices realized since the last fixation and by establishing different standard values for certain products in the regions in question ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION :

Article 1

For 1978 the standard values to be used in calculating the financial compensation provided for in Article 11 of Regulation (EEC) No 100/76 in respect of products withdrawn by producers' organizations and used for purposes other than human consumption shall be as shown in the Annex hereto for each of the uses indicated therein.

Article 2

This Regulation shall enter into force on 1 January 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 December 1977.
