COMMISSION REGULATION (EEC) No 365/77

of 22 February 1977

concerning the invitation to tender for the supply to Indonesia, for use as food aid, of vitaminized skimmed-milk powder to be bought on the Community market

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products (1), as last amended by Regulation (EEC) No 559/76 (2), and in particular Article 7 (5) thereof,

Having regard to Council Regulation (EEC) No 1298/76 of 1 June 1976 laying down general rules for the supply of skimmed-milk powder as food aid to certain developing countries and international organizations under the 1976 programme (3), as amended by Regulation (EEC) No 2017/76 (4), and in particular Article 6 thereof,

Whereas Council Regulation (EEC) No 2018/76 of 27 July 1976 on the additional supply of skimmed-milk powder as food aid to certain developing countries, international organizations and non-governmental organizations under the 1976 food-aid programme (5), provides *inter alia* for 500 tonnes of skimmed-milk powder to be made available to Indonesia; whereas this country has requested the delivery of the above-mentioned quantity of vitaminized skimmed-milk powder;

Whereas Regulation (EEC) No 1298/76 provides in Article 2 (2) that, if the amounts of skimmed-milk powder in public stocks do not have the characteristics necessary for their particular destination where this requires, in particular, the addition of vitamins, supply shall be ensured by the buying-in of skimmed-milk powder on the Community market;

Whereas Article 5 of Regulation (EEC) No 1298/76 provides that for the purpose of the supply and shipment of skimmed-milk powder invitations to tender are to be issued;

Whereas the procedure to be adopted for this tendering should in the main be the procedure used hitherto in similar cases;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,
