COMMISSION REGULATION (EEC) No 534/77

of 15 March 1977

repealing the protective measures applicable to the export of fodder products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 827/68 of 28 June 1968 on the common organization of the market in certain products listed in Annex II to the Treaty [1], as last amended by Regulation (EEC) No 1067/74 [2], and in particular Article 3 (2) thereof,

Having regard to Council Regulation (EEC) No 1067/74 of 30 April 1974 on the common organization of the market in dehydrated fodder, as last amended by Regulation (EEC) No 1420/75 [3], and in particular Article 7 (2) thereof,

Whereas, having regard to the difficulties in the supply of feedingstuffs in the Community last summer, the export of fodder products to certain non-member countries led the Commission in July 1976 to the view that the Community market was thereby threatened with serious disturbance which could endanger the objectives of Article 39 of the Treaty; whereas in order to meet this situation the Commission, by Regulation (EEC) No 1667/76 [4], as last amended by Regulation (EEC) No 143/77 [5], adopted protective measures in respect of exports of the products in question;

Whereas, in view of the trend in the fodder market, the Community market is no longer threatened with serious disturbance as a result of exporting these products; whereas, therefore, the protective measures applicable to fodder should be repealed,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1667/76 is hereby repealed.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 March 1977.

For the Commission
