# COMMISSION REGULATION (EEC) No 588/77

## of 22 March 1977

## establishing a list of authorized vine varieties which may be used for new plantings and replantings until 30 November 1978 and laying down further rules for the application of Regulation (EEC) No 1162/76

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1162/76 of 17 May 1976 on measures designed to adjust wine-growing potential to market requirements [1], as amended by Regulation (EEC) No 3140/76 [2], and in particular Article 5 (4) thereof,

Whereas Article 3 of Regulation (EEC) No 1162/76 provides, with respect to wine grapes, that until 30 November 1978 all new plantings and replantings must be carried out with recommended varieties or certain authorized varieties; whereas a list of the latter should be drawn up;

Whereas when this list is being drawn up account should be taken of the classification of the said varieties and of the demand for them on the market;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

*Article 1*

The list, as referred to in Article 3 of Regulation (EEC) No 1162/76, of authorized varieties which may until 30 November 1978 be used for new plantings and replantings, shall be as set out in the Annex hereto.

*Article 2*

Member States shall take the necessary measures to verify compliance with Regulation (EEC) No 1162/76 and to penalize failure to fulfil the obligations laid down in Articles 2 and 3 of the said Regulation.

*Article 3*

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 March 1977.
