Whereas Article 3 (2) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with exception of countries listed in its Annex E, once the relevant Community maximum amount has been reached ;

Whereas, in respect of nets and netting made of twine, etc., falling within heading No 59.05, the ceiling, calculated as indicated above, should be 49 tonnes, and therefore the maximum amount is 24·5 tonnes ; whereas on 30 March 1977 the amounts of imports into the Community of nets and netting made of twine, etc., falling within heading No 59.05, orginating in the Philippines, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3022/76 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to the Philippines,
