COMMISSION REGULATION (EEC) No 821/77

of 22 April 1977

fixing the components used to calculate the differential amounts for colza and rape seed for the period 1 to 24 April 1977

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1707/73 [2],

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed [3], as last amended by Regulation (EEC) No 3477/73 [4], and in particular Article 2 (2) thereof,

Whereas, pursuant to Council Regulation (EEC) No 557/76 of 15 March 1976 on the exchange rates to be applied in agriculture and repealing Regulation (EEC) No 475/75 [5], as last amended by Regulation (EEC) No 723/77 [6], new representative rates are applicable with effect from 1 July 1977 for the French franc, the Italian lira and the Irish pound; whereas it is necessary to take this fact into account in fixing the components used to calculate the differential amounts for colza and rape seed; whereas, because of the technical operation of the system of differential amounts in its present form, the change in price at the beginning of the coming marketing year may place unjustified burdens on those concerned; whereas it is possible to avoid this by fixing, for a transitional period, components which vary according to the date on which the subsidy or export refund is fixed in advance and to the date on which the colza seed is placed under control or exported;

Whereas it has been found that the same problem arises in the case of subsidies and refunds fixed in advance after 1 April 1976; whereas, therefore, measures should be taken, at the request of those concerned, as regards subsidy and refund certificates in respect of which advance fixing took place between 1 and 24 April 1977;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

For the purpose of calculating the corrective amounts to be applied to the target price, the subsidy and the refund in respect of the period 1 to 24 April 1977, the coefficients shown in the Annex hereto shall at the request of the party concerned be applied in respect of the said period in place of those figures shown in the Regulations fixing or altering the components to be used to calculate the differential amounts for colza and rape seed applicable for the period in question, provided that the seeds have been placed under control at the oil mills after 30 June 1977.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 April 1977.
