COMMISSION REGULATION (EEC) No 822/77

of 22 April 1977

altering components used to calculate the differential amounts for colza and rape seed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1707/73 [2],

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza and rape seed [3], as last amended by Regulation (EEC) No 3477/73 [4], and in particular Articles 2 (2) and 3,

Whereas Commission Regulation (EEC) No 2300/73 of 23 August 1973 [5], as last amended by Regulation (EEC) No 632/75 [6], laid down detailed rules of application for Regulation (EEC) No 1569/72; whereas the components used to calculate the differential amounts were fixed by Regulation (EEC) No 1580/76 [7], as last amended by Regulation (EEC) No 499/77 [8]; whereas, in the case of the French franc, the Irish pound, the pound sterling and the Italian lira, the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 for the period 13 to 19 April 1977 has changed, by reference to the representative rate valid on 25 April 1977, by at least one point from the percentage used for the previous fixing; whereas this fact should be taken into account when fixing the components used to calculate the differential amounts for colza and rape seed;

Whereas, pursuant to Council Regulation (EEC) No 557/76 of 15 March 1976 on the exchange rates to be applied in agriculture and repealing Regulation (EEC) No 475/75 [9], as last amended by Regulation (EEC) No 723/77 [10], new representative rates are applicable with effect from 1 July 1977 for the French franc, the Italian lira and the Irish pound; whereas it is necessary to take this fact into account in fixing the components used to calculate the differential amounts for colza and rape seed; whereas, because of the technical operation of the system of differential amounts in its present form, the change in price at the beginning of the coming marketing year may place unjustified burdens on those concerned; whereas it is possible to avoid this by fixing, for a transitional period, components which vary according to the date on which the subsidy or export refund is fixed in advance and to the date on which the colza seed is placed under control or exported;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to amended Regulation (EEC) No 1580/76 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 25 April 1977.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 22 April 1977.
