COMMISSION REGULATION (EEC) No 1029/78

of 19 May 1978

amending Regulation (EEC) No 610/77 on the determination of prices of adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 425/77 (2), and in particular Articles 12 (7) and 25 thereof,

Whereas the information available on the trend in cattle numbers indicates that the coefficients used in calculating the price of adult bovine animals on the representative markets of the Community should be adjusted ;

Whereas the information available on the trend of the cattle population structure in each Member State indicates that the coefficients reflecting the relative quantity of each category and quality coming on to the market should be adjusted ;

Whereas Annexes I and II to Commission Regulation (EEC) No 610/77 of 18 March 1977 on the determination of prices on adult bovine animals on representative Community markets and the survey of prices of certain other cattle in the Community (3), as amended by Regulation (EEC) No 502/78 (4), should therefore be amended ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION :

Article 1

Annexes I and II to Regulation (EEC) No 610/77 are replaced by those to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

It shall apply for the first time for the calculation of the levies applicable from 22 May 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 19 May 1978.
