COMMISSION REGULATION (EEC) No 1307/78

of 15 June 1978

amending Regulation (EEC) No 1102/78 as regards protective measures applicable to imports of preserved non-cultivated mushrooms

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in fruit and vegetables (1), as amended by Regulation (EEC) No 1152/78 (2), and in particular Article 14 (2) thereof,

Whereas Commission Regulation (EEC) No 1102/78 of 25 May 1978 (3), adopted protective measures applicable to imports of preserved mushrooms;

Whereas at present offers from the principal producer third countries relate almost entirely to preserved cultivated mushrooms; whereas the offer prices for preserved non-cultivated mushrooms are considerably higher than those for preserved cultivated mushrooms;

Whereas imports of preserved non-cultivated mushrooms do not therefore threaten the Community market in preserved cultivated mushrooms with serious disturbances which could jeopardize the objectives of Article 39 of the Treaty;

Whereas the safeguard measures referred to above should therefore be limited to preserved cultivated mushrooms; whereas Regulation (EEC) No 1102/78 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Article 1 (1) of Regulation (EEC) No 1102/78 is hereby amended to read as follows:

'1. The issue of import licences for preserved cultivated mushrooms (subheading ex 20.02 A of the Common Customs Tariff) is hereby suspended.'

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 15 June 1978.
