of 23 June 1978

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to Council Regulation (EEC) No 2705/77 of 28 November 1977 establishing preferential tariffs in respect of certain products originating in developing countries (1), and in particular Article 4 (2) thereof,

Whereas Article 1 (3) and (4) of that Regulation provides that the customs duties may, for each category of products, be suspended up to a Community ceiling, expressed in units of account, which will be equal, with the exception of certain products the value of the ceilings for which is given in Annex A to the Regulation in question, to the sum arrived at by adding together the value of the products in question imported cif into the Community in 1974 and coming from countries and territories covered by those arrangements, but not including products coming from countries and territories already covered by various preferential tariff arrangements established by the Community, and 5 % of the value of 1975 cif imports coming from other countries and from countries and territories already covered by such arrangements ; whereas, however, the ceiling resulting from the sum of this addition may in no case exceed 225 % of the preferential ceiling open for 1976 ;

Whereas, having regard to that ceiling, the amounts for products originating in any one of the countries or territories listed in Annex B to that Regulation should be within a maximum Community amount representing 50 % of that ceiling, with the exception of certain products for which the maximum amount is to be reduced to the percentage indicated in Annex A ; whereas, for these products, this reduced percentage will be 40 % ;

Whereas Article 2 (2) and (3) of that Regulation provides that the levying of customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries or territories, with the exception of those listed in Annex C to the same Regulation, once the relevant Community amount has been reached ;

Whereas, in respect of thread of asbestos, falling within subheading 68.13 B I, the ceiling, calculated as indicated above, should be 1 056 000 units of account, and therefore the maximum amount is 422 400 units of account ; whereas on 16 June 1978 the amounts of imports into the Community of thread of asbestos, falling within subheading 68.13 B I, originating in Yugoslavia, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 2705/77 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to Yugoslavia,
