COUNCIL REGULATION (EEC) No 1420/78

of 20 June 1978

fixing, for the 1978/79 marketing year, the main intervention centres for oil seeds and the derived intervention prices applicable at these centres

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats [1], as last amended by Regulation (EEC) No 1419/78 [2], and in particular the first subparagraph of Article 22 (2) thereof,

Having regard to the proposal from the Commission,

Whereas, in accordance with Article 22 (2) of Regulation No 136/66/EEC, the main intervention centres for colza, rape and sunflower seed, and the derived intervention prices applicable thereto, must be fixed for the 1978/79 marketing year;

Whereas the places with the largest markets situated in the main production areas should be taken as the main intervention centres; whereas, to ensure an appropriate price level for Community seed in deficit areas, the most representative places for the processing of seeds should also be used, as well as places situated outside production areas which are representative as regards internal trade and export of seed;

Whereas, in accordance with Article 24 of Regulation No 136/66/EEC, derived intervention prices must be fixed at a level permitting seed to move freely within the Community, under natural conditions of price formation and in accordance with the needs of the market; whereas, to that end, intervention prices should be fixed so that the differences between them correspond to the price differences to be expected in the case of a normal harvest;

Whereas the experience gained during the 1977/78 marketing year has shown that the main intervention centres for colza, rape and sunflower seeds adopted during that marketing year should be retained for the 1978/79 marketing year,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1978/79 marketing year, the main intervention centres for colza, rape and sunflower seed and the derived intervention prices applicable in these centres shall be those shown in the Annex.

Article 2

This Regulation shall enter into force on 1 July 1978 for colza and rape seed, and on 1 September 1978 for sunflower seed.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 20 June 1978.

For the Council

The President

P. DALSAGER
