COMMISSION REGULATION (EEC) No 1701/78

of 19 July 1978

amending Regulation (EEC) No 1985/74 laying down detailed rules of application for the fixing of reference prices and free-at-frontier prices for carp

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 100/76 of 19 January 1976 on the common organization of the market in fishery products [1], as last amended by Regulation (EEC) No 2560/77 [2], and in particular Article 20 (5) thereof,

Whereas Article 20 (1) of the said Regulation provides *inter alia* that reference prices for carp may be fixed at different levels during periods to be determined within each marketing year according to seasonal fluctuations in prices;

Whereas these periods were fixed by Commission Regulation (EEC) No 1985/74 of 25 July 1974 laying down detailed rules of application for the fixing of reference prices and free-at-frontier prices for carp [3];

Whereas information available shows that there has been a change in production and marketing; whereas the periods within the marketing year should therefore be adapted to this situation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:
