COUNCIL REGULATION (EEC) No 1847/78

of 25 July 1978

allocating certain catch quotas between Member States for vessels fishing in the Norwegian exclusive economic zone

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament (1),

Whereas on 3 November 1976 the Council adopted a set of resolutions concerning certain external and internal aspects of the common fisheries policy;

Whereas the Community and the Kingdom of Norway have negotiated a Framework Agreement on fisheries;

Whereas the Commission has submitted the Agreement to the Council for approval;

Whereas the Community and Norway have held consultations concerning their mutual fishing allocations for 1978;

Whereas during the consultations the delegations agreed to recommend to their authorities that they fix certain catch quotas for 1978 for vessels of the other party;

Whereas it is the responsibility of the Community to allocate the catch quotas in the Norwegian exclusive economic zone among the Community vessels concerned;

Whereas for this purpose it is necessary to allocate these quotas between the Member States of the Community;

Whereas the quotas agreed with Norway cover the whole of 1978, but it would seem desirable to apportion only the balance of the quotas which would remain as from 1 August 1978; whereas it seems advisable, so as not to prejudice the final allocation of these quotas, to fix the allocation only for the period 1 August to 31 October 1978;

Whereas this allocation must take into account catches already taken by vessels of each of the Member States;

Whereas information about actual catches should be made available in order to ensure that the allocations are respected,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 August to 31 October 1978 vessels flying the flag of a Member State shall be authorized to make only the catches set out in the Annex hereto in waters north of 62° 00′ N which fall within the Norwegian exclusive economic zone.

Article 2

Member States shall periodically transmit to the Commission information concerning the catches, broken down by species, made by vessels flying their flag fishing in the Norwegian exclusive economic zone.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply until 31 October 1978.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 July 1978.

For the Council

The President
