COMMISSION REGULATION (EEC) No 2308/78

of 2 October 1978

determining for the marketing year 1978/79 the most representative period for the sale of Community castor seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2874/77 of 19 December 1977 laying down special measures in respect of castor seeds (1), and in particular Article 3 thereof,

Whereas Article 17 (1) of Regulation (EEC) No 2290/78 of 28 September 1978 laying down detailed rules for the application of the special measures for castor seeds (2) specifies that the most representative period for the sale of Community seeds shall be determined for each marketing year when the first aid is fixed; whereas for the marketing year 1978/79 the period in question should therefore be determined at the same time as the aid applicable from 1 October 1978 is fixed;

Whereas, given the anticipated sale pattern, the period 1 October to 31 December 1978 may be considered the most representative period for the sale of Community seeds in the said marketing year; whereas this period should therefore be adopted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

For the marketing year 1978/79 the most representative period shall be 1 October to 31 December 1978.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 2 October 1978.
