COUNCIL REGULATION (EEC) No 2356/78

of 9 October 1978

providing for certain technical adjustments to Regulation (EEC) No 1850/78 laying down certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Sweden

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 103 thereof,

Having regard to the proposal from the Commission,

Whereas on 25 July 1978 the Council adopted Regulation (EEC) No 1850/78 laying down certain measures for the conservation and management of fishery resources applicable to vessels flying the flag of Sweden (1);

Whereas consultations have taken place between the Community and Sweden concerning the surveillance of their mutual fishing quotas; whereas during these consultations the Community delegation undertook to recommend its authorities to base the surveillance of the quotas established under Regulation (EEC) No 1850/78 for the Kattegat and Skagerrak upon administrative cooperation between the authorities of both parties, and consequently to exempt Swedish fishermen fishing in these areas from the communication rules laid down in Article 2 of that Regulation;

Whereas the consultations referred to in Article 3 (2) of Regulation (EEC) No 1850/78 have not yet been completed and it is therefore appropriate to postpone for one month the date of entry into force of paragraph 1 of this Article;

Whereas Article 2 of the Framework Agreement also provides that such allotments may be adjusted in the event of unforeseen circumstances; whereas in accordance with this provision the parties concerned have held further consultations;

Whereas the delegations agreed to recommend to their authorities the adjustment of certain quotas laid down in the abovementioned Regulation (EEC) No 1850/78;

Whereas these measures must be taken without delay, and it is therefore necessary to adopt them as interim measures, on the basis of Article 103 of the Treaty, subject to their being included at a later date in the common agricultural policy,
