COMMISSION REGULATION (EEC) No 2823/78
of 30 November 1978
amending Annex III to Regulation (EEC) No 2054/76

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products [1], as last amended by Regulation (EEC) No 1761/78 [2], and in particular Article 7 (5) thereof,

Whereas in Annex III to Commission Regulation (EEC) No 2054/76 of 19 August 1976 on the sale for export to non-member countries of skimmed-milk powder held by intervention agencies and intended for use as feed [3], as last amended by Regulation (EEC) No 2413/78 [4], the first denaturing method specified is the addition of 1 % bloodmeal and 1 % deodorized fishmeal;

Whereas it has been found that on importation into Spain the customs authorities will accept the skimmed-milk powder concerned only if it has been denatured with non-deodorized fishmeal; whereas, in order to avoid difficulties, Annex III to Regulation (EEC) No 2054/76 should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

In the first sentence of section I of Annex III to Regulation (EEC) No 2054/76, the word 'deodorized' is replaced by 'non-deodorized'.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

However it shall apply, at the request of the parties concerned, to quantities of skimmed-milk powder for which contracts as referred to in Article 3 (4) of Regulation (EEC) No 2054/76 have been concluded before this date.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 November 1978.
