COUNCIL REGULATION (EEC) No 3063/78

of 18 December 1978

opening, allocating and providing for the administration of a Community tariff quota for frozen beef and veal falling within subheading 02.01 A II b) of the Common Customs Tariff (1979)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament (1),

Whereas, in the context of GATT, the Community has undertaken to open, at a duty of 20 %, an annual Community tariff quota of 38 500 tonnes of frozen beef and veal falling within subheading 02.01 A II b) of the Common Customs Tariff, expressed as boned or boneless meat; whereas, therefore, this tariff quota should be opened on 1 January 1979;

Whereas equal and continuous access to the quota should be ensured for all persons concerned and the rate laid down for the tariff quota should be applied consistently in all Member States to all imports of the product in question until the quota is used up; whereas a system of utilization of the Community tariff quota, based on an allocation between the Member States concerned, would, in the light of the principles outlined above, appear consistent with the Community nature of the quota; whereas, to represent as closely as possible the actual market trends in the product in question, the allocation should be proportionate to the requirements of the Member States calculated with reference to statistical data on imports from third countries during a representative reference period and to the economic prospects for the quota year in question;

Whereas, pursuant to Article 2 (4) of Commission Regulation (EEC) No 193/75 of 17 January 1975 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products (2), as last amended by Regulation (EEC) No 858/78 (3), import licences authorize the importation of a quantity exceeding by 5 % the quantity indicated therein; whereas, however, the levy provided for in Article 12 of Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (4), as last amended by Regulation (EEC) No 425/77 (5), should be applied to any quantity exceeding that indicated in the licence;

Whereas, since the tariff quota in question is relatively small, it ought to be possible to provide for a system of allocation based on a single apportionment between the Member States without thereby derogating from its Community nature; whereas it appears best to leave to each Member State the choice of a management system for its share of the quota, so that it may ensure an allocation which is appropriate from an economic viewpoint;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are jointly represented by the Benelux Economic Union, any operation concerning the administration of the quota shares allocated to that economic union may be carried out by any one of its members;

Whereas, if at a given date during the quota period it is found that a balance of a quota share remains in one or other Member State, it will be necessary, where appropriate, to re-allocate the amounts which have not been used up, in order that they might be used up by other Member States,

HAS ADOPTED THIS REGULATION:
