COMMISSION REGULATION (EEC) No 487/77

of 8 March 1978

amending Regulation (EEC) No 588/77 as regards the list of authorized vine varieties which may be used for new plantings and replantings until 30 November 1978

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1162/76 of 17 May 1976 on measures designed to adjust wine-growing potential to market requirements [1], as amended by Regulation (EEC) No 3140/76 [2], and in particular Article 5 (4) thereof,

Whereas the list of authorized varieties set out in the Annex to Commission Regulation (EEC) No 588/77 of 22 March 1977 establishing a list of authorized vine varieties which may be used for new plantings and replantings until 30 November 1978 and laying down further rules for the application of Regulation (EEC) No 1162/76 [3], was drawn up taking into account the classification of the said varieties and demand for them on the market;

Whereas the classification of authorized vine varieties has been altered in the meantime, either by the addition of new varieties to the authorized varieties or by the extension of already authorized varieties to directly neighbouring administrative units; whereas, so as to take account of this situation, the Annex to Regulation (EEC) No 588/77 should be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:
