COUNCIL REGULATION (EEC) No 705/78

of 4 April 1978

amending Regulation (EEC) No 3330/74 on the common organization of the market in sugar

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament (1),

Whereas, in view of the Community's large surpluses of white sugar and the limited world market in such sugar which leads to difficulties in exporting it in its natural state to that market, outlets must be increased by making it easier to export sugar in the form of processed products which can be marketed there; whereas additions should therefore be made to Annex I to Council Regulation (EEC) No 3330/74 of 19 December 1974 on the common organization of the market in sugar (2), as last amended by Regulation (EEC) No 2560/77 (3), to permit export refunds to be granted in respect of the sugar contained in such products; whereas at the same time the names of the processed products which have not actually been exported and are not likely to be exported should be deleted from the said Annex,

HAS ADOPTED THIS REGULATION:
