COMMISSION REGULATION (EEC) No 891/78

of 28 April 1978

amending the Annex to Regulation (EEC) No 1517/77 fixing the list of the various groups of hop varieties cultivated in the Community

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1696/71 of 26 July 1971 on the common organization of the market in hops (1), as last amended by Regulation (EEC) No 1170/77 (2), and in particular Article 12 (8) thereof,

Whereas Commission Regulation (EEC) No 1517/77 of 6 July 1977 fixing the list of the various groups of hop varieties cultivated in the Community (3) divides these varieties into the groups 'aromatic hops', 'bitter hops' and 'other' according to commercial practice in the Community and world hop market on the basis of the final uses of the hops in brewing and by reference to common characteristics, with particular emphasis on the content of the bitter and aromatic substances;

Whereas the predominance of the aromatic characteristic of the 'Hüller Bitterer' variety led to this variety being classified in the group 'aromatic hops'; whereas the current designation of that variety does not correspond to its characteristics; whereas this designation should therefore be altered;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Hops,

HAS ADOPTED THIS REGULATION:

Sole Article

The Annex to Regulation (EEC) No 1517/77 is replaced by the Annex to this Regulation.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
