of 1 June 1979

re-establishing the levying of customs duties on embroidery, in the piece, in strips or in motifs, falling within heading No 58.10 and originating in India, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3157/78 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3157/78 of 29 December 1978 opening, allocating and providing for the administration of Community tariff preferences for textile products originating in developing countries and territories (1), and in particular Article 4 thereof,

Whereas Article 2 (1) to (3) of that Regulation provides that customs duties may, for each category of products, be suspended up to a Community ceiling which is indicated, for each of the products listed under (a) in column 5 of Annex B thereto; whereas, only the products originating in the countries and territories listed in Annex D, other than those specified under (b) in column 4 of Annex B, in respect of the corresponding products, may be charged against that ceiling; whereas, having regard to that ceiling, the amounts for products originating in any of the countries listed in Annex D should be within a maximum amount representing 50 % of that ceiling;

Whereas Article 3 (2) of that Regulation provides that customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with exception of countries listed in Annex E thereto, once the relevant Community amount has been reached;

Whereas, in respect of embroidery, in the piece, in strips or in motifs, the ceiling, calculated as indicated above, should be 69 tonnes, and therefore the maximum amount is 34·5 tonnes; whereas, on 25 May 1979, the amounts of imports into the Community of embroidery, in the piece, in strips or in motifs, originating in India, a country covered by preferential tariff arrangements, reached that maximum amount; whereas, bearing in mind the objectives of Regulation (EEC) No 3157/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to India,
