Whereas Article 3 (2) of that Regulation provides that customs duties may be re-established at any time in respect of imports of the products in question originating in any of the said countries and territories, with exception of countries listed in Annex E thereto, once the relevant Community amount has been reached ;

Whereas, in respect of other made up textile articles, falling within heading No ex 62.05, the ceiling, calculated as indicated above, should be 174 tonnes, and therefore the maximum amount is 87 tonnes ; whereas, on 25 May 1979, the amounts of imports into the Community of other made up textile articles, falling within heading No ex 62.05 and originating in South Korea, a country covered by preferential tariff arrangements, reached that maximum amount ; whereas, bearing in mind the objectives of Regulation (EEC) No 3157/78 which provides that maximum amounts should not be exceeded, customs duties should be re-established in respect of the products in question in relation to South Korea,
