COMMISSION REGULATION (EEC) No 1104/79

of 5 June 1979

fixing, for June 1979, the maximum withdrawal prices for tomatoes grown under glass

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables (1), as last amended by Regulation (EEC) No 912/79 (2), and in particular the last subparagraph of Article 18 (1) thereof,

Whereas, under the last subparagraph of Article 18 (1) of Regulation (EEC) No 1035/72, producers' organizations may be authorized, in view of the characteristics of the market under consideration, to fix, under certain conditions, withdrawal prices above the levels referred to in Article 18 (1) (a) of that Regulation ;

Whereas the market in tomatoes grown under glass has different characteristics from those of the market in open-grown tomatoes ; whereas tomatoes grown under glass are mainly 'Extra' Class and Class I products, the prices for which are considerably higher than those for open-grown products ;

Whereas, in order to provide more effective support for the market in tomatoes grown under glass, producers' organizations or associations of such organizations should be allowed to fix their withdrawal price at a level higher than the Community withdrawal price ; whereas, for the present marketing year, the information currently available does not make it possible to fix maximum price levels for tomatoes grown under glass beyond the month of June ; whereas, in order to ensure the continued marketing of tomatoes, it is therefore necessary to maintain for the month of June 1979 the maximum price levels valid for the same period of the 1978/79 marketing year ;

Whereas Council Regulation (EEC) No 652/79 (3) laid down the coefficient for expressing amounts, fixed in units of account, in ECU ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION :
