# COMMISSION REGULATION (EEC) No 1248/79
## of 26 June 1979
## amending, for the second time, Regulation (EEC) No 557/79 laying down detailed rules for the application of the system of consumption aid for olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats (1), as last amended by Regulation (EEC) No 590/79 (2), and in particular Article 11 (5) thereof,

Whereas Article 5 (1) of Regulation (EEC) No 557/79 (3), as amended by Regulation (EEC) No 1036/79 (4), requires packaging plants which submitted their application for approval before 1 May 1979 to supply certain information on stocks to the Member State concerned not later than 15 June 1979, so that the Member State can check the entitlement to aid in respect of the quantities of olive oil withdrawn from the plants before their approval ;

Whereas, for reasons of an administrative nature, the Member State mainly concerned is unable to grant all the approvals before 15 June 1979 ; whereas a new date should be fixed so that that Member State can take a decision in good time on all the applications for approval submitted to it ;

Whereas an error has been found in the German text of Article 5 of Regulation (EEC) No 557/79 which should be corrected ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,
