COMMISSION REGULATION (EEC) No 1413/79

of 4 July 1979

on the arrangements for imports into Italy of woven fabrics of regenerated discontinuous textile fibres (category 37) originating in Thailand

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European *Economic Community*,

Having regard to Council Regulation (EEC) No 3059/78 of 21 December 1978 on common rules for imports of certain textile products originating in certain third countries (1), as amended by Regulation (EEC) No 1176/79 (2), and in particular Articles 11 and 15 thereof,

Whereas Article 11 of Regulation (EEC) No 3059/78 lays down the conditions under which quantitative limitations may be established ; whereas imports into Italy of woven fabrics of regenerated discontinuous textile fibres (category 37) originating in Thailand have exceeded the level referred to in paragraph 3 of the said Article 11 of that Regulation ;

Whereas in accordance with paragraph 5 of the said Article Thailand was notified on 26 February 1979 of a request for consultations ; whereas following the consultations which were duly initiated it is desirable to make products falling within category 37 subject to quantitative limitation for the years 1979 to 1982 ;

Whereas to ensure that this quantitative limit is observed the products in question exported from Thailand between 1 January 1979 and the date of entry into force of this Regulation must be set off against the quantitative limit for 1979 ;

Whereas under Article 11 (13) of Regulation (EEC) No 3059/78 the importation of products covered by quantitative limits is subject to a double-checking system in accordance with Annex V to that Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textiles Committee set up by Regulation (EEC) No 3059/78,

HAS ADOPTED THIS REGULATION :
