of 29 January 1979

amending the Annex to Regulation (EEC) No 1799/76 as regards the coefficients of equivalence for linseed

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 569/76 of 15 March 1976 laying down special measures for linseed (1), and in particular Article 2 (4) thereof,

Whereas the quality of linseed delivered by the major producing third countries as well as the prices for both linseed and linseed oil, which served as the basis for fixing the current coefficients of equivalence, have changed considerably since the beginning of the 1978/79 marketing year; whereas new coefficients of equivalence for linseed should therefore be fixed which take the new situation into account;
